I FOUND SOME OF YOUR LIFE …

from Steve (Newman)

Sam thought you would be interested in this:

Slashdot – this was their summary:

What would you do if you found someone’s digital media card from their camera in your taxi? One such individual has decided to provide the world with 227 days of entertainment. I Found Some Of Your Life will post a photo a day and accompanying fictional narrative for the next 227 days using the photos found on a digital media card left in a cab.

Is it pure genius or pure evil? Who cares? Just be thankful they’re not your photos.
