FOUND PHOTOS — PORTRAITS AND PHYSIOGNOMY

In Boing Boing today — found photos from the Arkansas State Prison 1915-1937 — [Link]

I liked the caption:

In 1975, documentary artist Bruce Jackson found a bunch of old prison photos in a drawer in the Arkansas penitentiary. The people being photographed have no interest in the photographs being made; the people making the photographs have no interest in the photographs they have made.
