

REVS AT MONTEREY MOTORSPORTS REUNION

We are gearing up for taking the Revs Program [\[Link\]](#) [\[Link\]](#) along to the week-long run up to the Pebble Beach Concours d'Elegance [\[Link\]](#). During the pre-Reunion weekend and the Rolex Monterey Motorsports Reunion, we will have a booth in the paddock area to enable people to learn more about us.

Miles Collier will have two of his Porsches with us, racing with driver and vehicle instrumented as part of our effort to understand the driving experience.

Michael Lynch (San Francisco) has a nice piece about us and the Collier Collection in the latest edition of *Veloce Today*: [\[Link\]](#).

Here is the Collier Porsche-Abarth 356B Carrera GTL that will be at the Rolex Reunion. It is pictured at Goodwood in 1960, where it won the GT Class with Graham Hill and Huschke von Hanstein
