

GET CARTER – THEN AND NOW

“Get Carter” (Mike Hodges 1971) – Michael Caine’s finest movie role. Set in the North East of England.

Visiting one of the locations – Blyth – once the biggest coal port in Europe, shipping 7 million tons in 1961, from these great wooden staites, now gone, but for the jetties.

Another archaeology of the contemporary past. See also [\[Link\]](#) and [\[Link\]](#)
